Inauguration of Environmental Law Centre

27th August 2020, New Delhi: The Law Department of Trinity Institute of Professional Studies (TIPS), Dwarka affiliated to G.G.S.I.P.U, organized the Inauguration of Environmental Law Centre through an inaugural lecture by Ms. Kalpana Palkhivala, an eminent environmental activist.

The Chief Patron for the event was Dr. R.K. Tandon, Chairman, TIPS who gave a motivating speech to the students, followed by Dr. Barkha Bahl, Director, TIPS who also stressed on the significance of working towards the environmental concerns. The distinguished speaker was then introduced by Dr. Shashi Bala, Offc. Prinicipal, Law Department who highlighted the varied achievements of the eminent personality.

The lecture by the chief speaker Ms. Kalpana Plakhivala turned out to be highly enriching. Her interesting anecdotes, various cross cultural references and her vast experience of working closely with people on such grave environmental issues provided great insights to everyone present. In her session, she also highlighted how the native Indian species of sparrow which used to be a common presence around Indian houses can longer be seen since we now have air conditioned houses which are not accommodative of the little bird. Her lecture was highly enlightening and motivated the student volunteers to work with great zest for the Environmental Law Centre. The inauguration turned out to be a great beginning to a significant initiative.

INTERNATIONAL WEEK OF THE DEAF

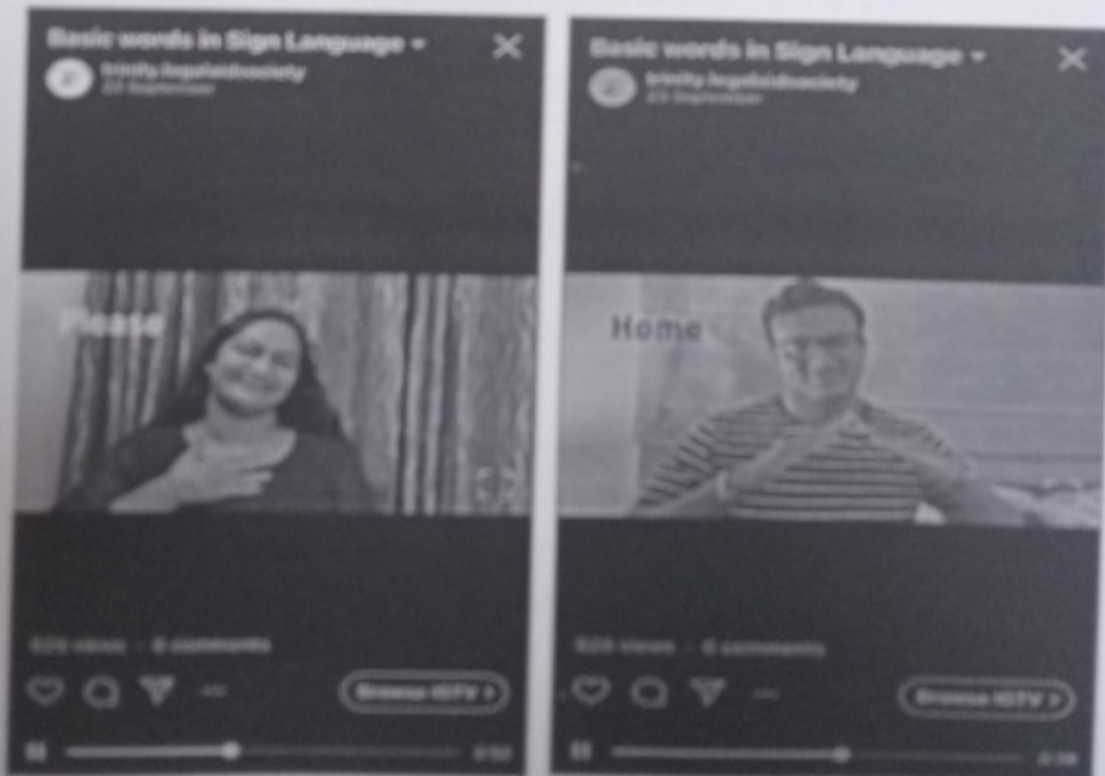

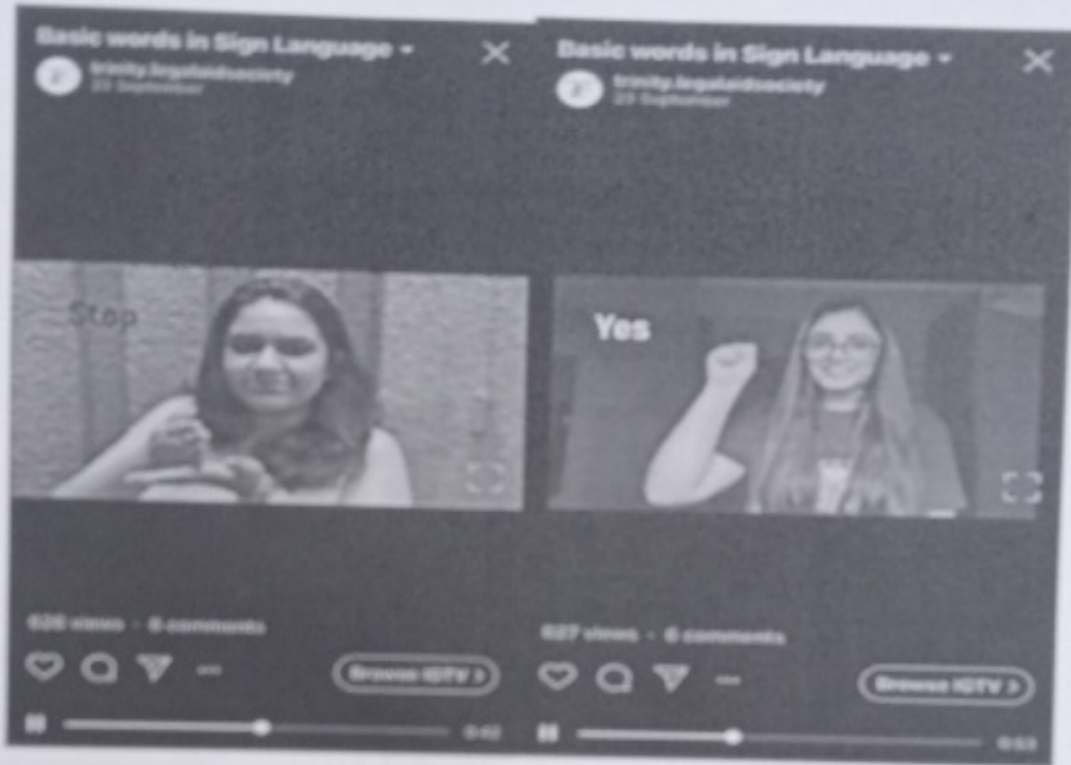

An online awareness campaign was organised by Trinity Legal Aid Society virtually on International Week of the Deaf by Trinity Legal Aid Society of Trinity Institute of Professional Studies during 21st- 25th September, 2020. "Trinity Legal Aid Society" provides free legal aid to the citizens and spread awareness by organising various events whether physically or virtually. And aims to make society a law abiding and well vigilant society.

The week had 5 days and 5 agendas the very first agenda to start with was to introduce the people with the daily life struggle of the deaf which focused on the lack of awareness of sign language and the sensitivity in the society. Then Day 2 had the topic Do's and Dont's it aimed to make the society understand the behaviour of the deaf people and how to interact with them by which the feelings of the community is not harmed. Day3 started with the full zeal and students shoot and uploaded their first video teaching the sign language Alphabets and some interacting words. On day 4 the students posted some motivational heroes of deaf community to establish the fact that the deaf are not weak they are the ones who lead the world and will lead in future and the week ended by the awareness related to the helpline numbers and the sole aim to provide legal remedy the society provided laws related to deaf and concluded the event in a successful manner.

The whole event was moderated by the student organising committee of Trinity Legal Aid Society under the supervision of Principal Law Dr. Shashi Bala, faculty Convenor Mr. Abhishek Sharma and Co- Convenor Ms. Richa Tyagi Kukreja.

ONLINE WEBINAR ON JUDICIAL PREPERATION, 2020

On October 8, 2020, New Delhi: The Law Department of Trinity Institute of Professional Studies (TIPS), Dwarka affiliated to G.G.S.I.P.U, organized a Webinar on the How to Crack Judiciary for the aspiring law students.

The Guests Speakers of the event were Mr. Harshit Gupta (Advocate) and Mr. Mukesh Bhardawaj (Advocate, High Court, Mentor-Lawit). The event not only turned out to be a great success but, the influential session by the honorable speakers made it even more eminent to attend.

The event started with enlightening words by Dr. Barkha Bahl, Director, TIPS and opening speech was given by Ms.Akshita Gupta, Assistant Professor, TIPS. The first part of the session was taken up by Mr. Harshit Gupta and the latter part of the event was continued by Mr. Mukesh Bhardawaj.

The Speakers, while explaining about the exam procedure; emphasized on how much the conceptual clarity of the topics are important. It is the conceptual clarity which makes the concept clear, simple and helps a student to crack an exam. Further they spoke about how the academy lawit provides an opportunity for the students to understand the law rather than mugging up the text. They further spoke about the pattern of the exam and how the exam differs from state to state. They explained the pattern followed by different states and the role of state language in different state. They not

only emphasized on concept clarity but also asked students to start preparation from the day one decides to crack judicial exam. The preparation requires consistency and hardwork. The Speakers also helped the students on how to make notes for judiciary where they explained about the importance of precise note making. Mr. Gupta briefed about the co-relation between the law subjects i.e. how the concepts of evidence are related to CrPC , Constitution related to CPC etc. According _____ to _____ him, *“ law is a nothing but common sense and that is what makes it so beautiful.”* He further explained how beautifully the bare acts are crafted which makes it even more easier for students to understand the sections.

Further there was a Question and Answer Round in which various questions were put relating to Judicial preparation which were answered by the Speakers. With such great note, they ended the session on the same, which was a very enlightening and informative session for every student. In the end, Dr. Shashi Bala, Director cum Principal TIPS thanked the speakers who were addressing the students.

Overall it was a very informative session and helped many judicial aspirants to make up their minds for the exam.

On 5th Feb 2021, six students of first semester, BCA along with Dr. Surabhi Shanker have gone to Doordarshan. The students participated in "Startup Champions" (Both Hindi & English) show @ Doordarshan. The show was about the Start ups in Health care sector. The main guest for both the shows were Dr. Geetha Manjunath (CEO) of Niramai health analytix pvt. Ltd., Mr. Vishal Kataria (CEO) of Bonayu Lifescience Pvt. Ltd. and Mr. Madhukar SM (CEO) of Innosmation Medical Pvt. Ltd. The students actively took part in the discussion and asked relevant questions to the guests. At the end of the show, students were also felicitated by the Director General of Doordarshan. We would like to convey our gratitude to Dahan Sir for providing such an amazing opportunity to our students.

Learning Outcome: Students gained public speaking confidence as they were interacting with the panel members. It was a great platform for the students to develop their communication skills and personality.

PFA the list of students to visit to Doordarshan:

Sr. No.	Name	Class/Shift
1	Jayant Tiwari	BCA 1st Sem 1st shift
2	Aditya Singh	BCA 1st Sem 1st shift
3	Harshit Goyal	BCA 1st Sem 1st shift
4	Kaushay	BCA 1st Sem 2nd shift
5	Aakshat	BCA 1st Sem 2nd shift
6	Hiranshi	BCA 1st Sem 2nd shift

Students of B.A.M.O Department, IIPS went to ABF News International to participate in a show *Banda Chuska rabe karam*, a tribute to the martyrs of Pulwama Attack. The show was inaugurated by Bollywood actor Akshay Kumar and the whole team of movie Mission Mangal.

Yakult Visit:

84 students from BBA and B.com (2nd year) went for an Industrial Visit to Yakult Danone India Pvt Ltd on 6th September, 2019. The Yakult manufacturing plant with ISO 9001: 2008, HACCP and OHSAS 18001:2007 certified state-of-the-art facility is located in Rai, Sonapat, in Haryana. As a pioneer in probiotic, Yakult has formidable research capabilities and product technologies in the field of probiotic. Yakult central institute for microbiological research has for years researched the use of intestinal bacteria as a factor in health maintenance, conducting a wide range of studies on the benefits of micro-organisms in Japan, in India too. Yakult's benefits have been scientifically established through years of research and 30 million people in more than 30 countries drink yakult every day. During the tour students were taken for the visit inside the Processing Unit where different stages of processing namely mixing of raw ingredients, sterilization, fermentation, blending, injection moulding, scrambling, filling/sealing, shrinking and packaging, storage and their automatic control process were demonstrated. The product is produced very hygienically. On their way back students stopped at Sukhdev for lunch.

The visit was an enriching experience for the students as they learned the processing stages and the latest technology in producing processed products.

Mother Dairy visit:

Education tours are essential for the overall development of a student. They provide valuable educational opportunities away from the classroom, without using textbooks and other tools used in a usual school setting. Students on educational trips can often learn while having fun in a more informal environment. Trinity Institute of Professional Studies, organized an industrial visit to Mother Dairy for the students of BBA(G) and B.Com (H) 1st year on 26th September, 2019. 110 students participated in the visit. The aim of the visit was to provide practical exposure to the students where they could experience the operations of the milk industry. Mother Dairy was commissioned in 1974 as a wholly owned subsidiary of the National Dairy Development Board (NDDB). It was an initiative under operation flood, the world's biggest dairy development program launched to make India a milk sufficient nation. The company officials welcomed the students, where. Mr. R. K. R. Pillai, Manager, Consumer Information Centre gave a presentation in which he explained the processing capacity of the plant with the significance of the steps in processing, the procedure of procurement, testing and packaging of milk and the benefits of various categories of milk. Students asked various questions after the presentation, thereafter the students were taken for a tour of the entire plant where they were shown the process of testing, processing, storage and transportation facilities of Mother Dairy. During the visit, the students were made aware of the stages of milk processing at the plant. They were given information regarding the quality parameters which they follow while processing milk. They were briefed about the primitive and newer modes
