

FEEDBACK

Periodical and meaningful feedback is a cornerstone of learning. In order to maintain good quality in every aspect of Institutional functioning, IQAC of Trinity Institute of Professional Studies makes it a tradition to mandatorily collect feedback from stakeholders i.e. students, teachers, parents, alumni, and recruiters. We have developed a ‘Feedback System’ to collect feedback from stakeholders as well as provide feedback in an easy and quick manner to the concerned. This has helped us in the past to evaluate and assess our weaknesses and take corrective measures for the achievement of our vision
