

Institutional Distinctiveness

The institute provides a well-equipped infrastructure as well as state-of-the-art facilities providing the students with well-qualified and experienced faculty members to groom the students holistically in a 360-degree way. The Institution has a strong governing body and management that analyzes the strengths, weaknesses, opportunities, and challenges from time to time. Based on all the evaluations, strategic decisions are taken which are implemented accordingly. The best practices are formulated for institutional growth in terms of imparting the best quality education and producing responsible citizenship via social engagement. The institute is organizing numerous activities like value-added courses, guest lectures by industry experts/ renowned academicians, webinars, seminars, competitions, workshops, NSS and outreach activities, HR conclave, industrial visits, internship fair, pre-placement talks, GD, Cultural and sports competitions, etc. for the holistic growth of the student. The institute also encourages students to research for which the Institute has collaborated with IIC, the Institution Innovation Council. The governing body also re-evaluates its governing policies, and decisions of any new club, committee, etc. are done after reviewing the feedback. In short, the challenges are duly accepted and turned into opportunities after careful analysis. The weaknesses identified by the institution are consistently being worked upon.
