The BA.LL.B. Course provides insights into the policy initiatives within the framework of the constitution and integrates legal studies with aspects of governance. The course is designed not only with the objective of encompassing knowledge of law but also to teach subjects like English, Sociology, Economic, Political Science and History. These courses help to understand how central and state governments function and how legislations are enacted and enforced. The students get a strong footing for undertaking professional legal education and to have a competitive acumen. The objectives for the course are designed, considering that BA.LL.B. Graduates will be able to:

Demonstrate knowledge and understanding of substantive & procedural laws including various legislations and connected rules & regulations.

Develop the skill of drafting or art of framing various complaints, petitions, writ, letters, using proper English format with clarity. Students therefore learn the skills of collaboration, negotiation and counselling for the ethical implementation of legal system.

Understands the standards of conduct involved in practice of law and demonstrate values of legal profession. This inculcate ethical responsibilities towards clients in a legal system.

Analyze and understand changes in regard to rule of law, economic reforms, human rights, women’s rights, rights of children, elderly, sick and disadvantaged segments of the population.

Make professional choices in a number of fields. Possible career paths include advocacy, research, policy making and judicial services. Career options also available in the corporate houses, public sector and government, community relations, civil society etc.

BA.LL.B (H) programme offered by the Institute will groom the students to:

**PO1:** Demonstrate knowledge and understanding of substantive & procedural laws including various legislations and connected rules & regulations.

**PO2:** Develop the skill of drafting or art of framing various complaints, petitions, writ, letters, using proper English format with clarity. Students therefore learn the skills of collaboration, negotiation and counselling for the ethical implementation of legal system.

**PO5:** Make professional choices in a number of fields. Possible career paths include advocacy, research, policy making and judicial services. Career options also available in the corporate houses, public sector and government, community relations, civil society etc.

## PROGRAM SPECIFIC OUTCOMES

PSO 1: Critical Thinking: Explore and explain the substantial & procedural laws in which they are made/drafted and how students think and understand the legislative setup.

PSO 2: Effective Communication: Ability to learn the art of communicating and demonstrating their oral advocacy skills. Projecting the facts in a way suitable to the client and power to convince on legal reasoning forms the essence of communication in courts of law.

PSO 3: Social Interaction: Interpret and analyze the legal and social problems and work towards finding solutions to the problems by application of laws and regulations.

PSO 4: Effective Citizenship: Inculcate values of Rights and Duties, and transfer these values to real-life through legal and judicial process for promoting community welfare.

PSO 5: Ethics: Apply ethical principles and commit to legal professional ethics, responsibilities and norms of the established legal practices.

PSO 6: Environment and Sustainability: Understand the impact of the professional, legal solutions in societal and environmental contexts and demonstrate the knowledge of and need for sustainable development.

PSO 7: Life-long Learning: Recognize the need for and have the preparation and ability to engage in independent and life-long learning in the broader context of legal change.

#### COURSE STRUCTURE

Course Duration: 5 Years (Ten Semesters- Regular teaching in nine semesters and Dissertation in the tenth semester) 306.

Seat Intake: 60 students

The B.A. LL.B (H) programme is divided into ten semesters. Each semester comprises of theory subjects. In addition to this, every semester has a Comprehensive Viva equal to the weightage of one paper. After 4th, 6th and 8th Semester, students have to undergo a Compulsory Summer Internship for one month and on that, a report has to be submitted by each student separately. In the tenth semester, students have to submit their dissertation.
